Approval of Revised Project Concept under the Strategic Program for Climate Resilience for Yemen

The PPCR Sub-Committee, having reviewed the project concept submitted on October 5, 2012, prepared by the Government of Yemen and IBRD and entitled, *Pilot Scheme to Improve the Resilience of Rural Communities to Climate Change in Yemen*:

(a) confirms its endorsement of the *Strategic Program for Climate Resilience in Yemen*, as a basis for the further development of the following three project concepts:

(i) *Climate Information System and PPCR Program Coordination* (IBRD),

(ii) *Climate-Resilient Integrated Coastal Zone Management* (IBRD), and

(iii) *Pilot Scheme to Improve the Resilience of Rural Communities to Climate Change in Yemen* (IBRD).

(b) approves USD 400,000 in PPCR funding as a project preparation grant for the project, *Pilot Scheme to Improve the Resilience of Rural Communities to Climate Change in Yemen*.

(c) takes note of IBRD's estimated budget for project preparation and supervision services for the project, *Pilot Scheme to Improve the Resilience of Rural Communities to Climate Change in Yemen*, and approves USD 450,000 as a first tranche of funding for such costs.

(d) requests IBRD to take into account comments submitted by Sub-Committee Members in the further development of the project concept.
