Endorsement of PPCR concept note: Grenada: Additional financing to the Regional Disaster Vulnerability Reduction Program

The PPCR Sub-Committee endorses the concept for the allocation of an additional USD 5.0 million in PPCR grant resources to the project entitled, Additional financing to the Regional Disaster Vulnerability Reduction Program (RDVRP), which has been endorsed under the Strategic Program for Climate Resilience for Grenada.

The PPCR Sub-Committee notes that IBRD is requesting an additional USD 150,000 to cover the costs for project implementation and supervision services, to assist the Government of Grenada in the further development of the concept, and approves a first tranche of USD 75,000 for such additional costs.
