SIGN-UP SHEET FOR SESSION V

KNOWLEDGE MARKETPLACE ON ADAPTATION RELATED TOPICS

(PLEASE COMPLETE BEFORE COB MONDAY, OCTOBER 26, 2009)

NAME:	
COUNTRY/ORGANISATION:	

Information:

Session V will take place on Tuesday, October 27, 2009, from 2-5p.m. Under this session we will have four working groups running concurrently. Each session will last 45 minutes and will be repeated four times. You can move from one working group to the next after 45 minutes—so you should be able to attend all four working groups. Please tick all the sessions you would like to attend—using different time slots for each.

Working Group Name	Time slot			
	1415-1445	1445-1530	1545-1630	1630-1715
WG1: Web-based portals				
WG2: Adaptation in landscapes				
WG3: Private sector role in adaptation				
WG4: Economics of adaptation				
Meeting with CIF/PPCR teams				

Working Session	Description of the Working Session	Presenters/Resource Persons	Indicate √ for sessions you would like to attend
1.Web-based	The main objective of this sessions is two-fold:	Fernanda Zermoglio,	
Climate Portal	1. To guide representatives in conducting	WB	
	a climate risk screening exercise on	Ana Bucher, WB	
	their priority area, to assist in	Ian Noble, WB	
	development planning and decision-		
	making processes. This step will		
	combine guidance and hands-on		
	experience on the use, access and		
	interpretation of baseline data for		
	measuring pre and post implementation		
	challenges relevant to mainstreaming		
	efforts.		
	2. To provide a set of concrete examples		
	on how this information can guide		
	project decisions and highlight opportunities for learning and		

	knowledge exchange.	
2.Adaptation in Landscapes	The main objectives of this session are: 1. Help countries in the region dealing with PPCR implementation issues in the landscape sectors. 2. Provide replicable approaches to mainstreaming climate change adaptation into landscape sectors.	Alfred Grunwaldt, IDB Erwin de Nys, WB Willem Jansen, WB Marjory Bromhead, WB
Private Sector Role in Adaptation	The objective of the session will be to introduce and discuss the various aspects of the private sector's role and needs in relation to climate resilience, covering: 1. The significance to national economies of the private sector's resilience to climate change. 2. Adaptation of the private sector to a changing climate: barriers and gaps. 3. Potential roles of the private sector in promoting climate resilience.	Vladimir Stenek, IFC Craig Davies, EBRD
Economics of Adaptation	The objectives of this sessions are two-fold: 1. To guide representatives in using the EACC planning investment methodology in order to support the mainstreaming of robust adaptation measures into national development planning. 2. To provide quantitative methods for integrating climate risk and resilience into development policies and planning.	Laurent Cretegny, WB Ana Bucher, WB
Meeting with CIF Admin/PPCR teams	This is optional. It provides country representatives an opportunity to meet staff form CIF Admin and PPCR teams on an informal basis and to share any special observations and or concerns.	Kanta Kumari Rigaud, CIF Admin, with MDB staff.
